The background of the entire page is a repeating pattern of two types of illustrations: a charcoal-style drawing of an open oyster shell showing its interior, and a simple line drawing of a charcoal grill on a three-legged stand. These are arranged in a grid-like fashion, alternating between the two images.

We'll be serving up a Classic Carolina Pig Pickin' with coastal flair, including oysters on the half shell, Southern favorites, sweet treats, and refreshing drinks—plus wine and beer. This will be an open-seating dinner.

Parking won't be available at the front entrance. If you need a ride, we're happy to help—just let us know!
