# Resident-Led Nature & Garden Experience

## Experience the Beauty of RWC

Wednesday, **June 10** | **10 a.m.**  
**Thomas Garden Patio**

Join us for a special morning exploring the scenic beauty of Rappahannock Westminster-Canterbury through the eyes of those who know it best – our residents.

This guided outdoor experience offers an opportunity to discover our campus, connect with residents, and learn more about life at RWC.

### Event Highlights

Guests will enjoy a resident-led walking tour featuring stops at:

- The Bluebird Trail
- Community Garden
- Nature Trail Overview
- Monarch Butterfly Enclosure

Along the way, residents will share personal stories and insights that bring each space to life.

### Refreshments & Connection

Refreshments and time to mingle with residents will follow at the Thomas Garden Patio. Guests may also choose to explore the grounds or walk a nature trail at their leisure.
